Mr. Charles L. Grace
Administrative Assistant
Havard College Library
Cambridge, Massachusetts

Dear Mr. Grace:

Please pardon the long delay in writing to thank you for the records of T.S. Eliot's "Love Song of J.Alfred Prufrock" and Archibald MacLeish's "Excerpts from Poems", that you were so good to send us even though you carry no free record service. They were received gratefully from the whole WCSR staff and we appreciate wholeheartedly your interest.

We have used them in planning for future programs and I am sure they will be of the greatest interest to our listeners.

Sincerely,

Patricia Bradford Butler
Station Manager
